- 1/4" Tempered monolithic glass Non-impact
- 9/16" Heat Treated Laminated glass Impact
- White powder coated finish
- Bronze & clear anodized
- Kynar & custom colors are available options

ENV-330 Bi-Fold Doors

The ENV-330 medium stile doors provides the advantages and aesthetics of wide open space with all door panels bi-folding to each jamb and out of the way for maximum clearance. The doors are simple to install and is one of the highest performing bi-folding doors in the market.

The ENV-330 door system shares its framing members with the ENV-4500 fixed glazing system providing seamless transition to offer fixed panel sidelites, another valuable and unique option. The ENV-330 medium stile doors can also be used as a conventional swing door in single and double leaf configurations. The bi-fold doors are ideal for both residential and commercial applications.
